

A letter from the New Editor of the Journal

Prof. Dr. Fouad Gharaibeh

Prof. Dr. Mohammed Taleb Obaidat

Important Note: This is an informative letter, Please don't respond to it.

I am very pleased and honored to be appointed as an Editor-in-Chief of the Jordan Journal of Civil Engineering which enjoys an excellent reputation, both locally and internationally. Since development is the essence of life, I hope to continue developing this distinguished Journal, building on the effort of all the Editors-in-Chief and Editorial Board Members as well as Advisory Boards of the Journal since its establishment about a decade ago. I will do my best to focus on publishing high quality diverse articles and move forward in the indexing issue of the Journal. Moreover, I am looking forward to collaborating with all Civil Engineering Community.

I would also like to express my deep sorrow and sincere condolences to the Civil Engineering Society in Jordan and abroad, as well as to the family and friends of Prof. Dr. Fouad Gharaibeh, the latest Editor-in-Chief of the Jordan Journal of Civil Engineering, who lately passed away. On this occasion, I remember the tremendous efforts exerted by him to develop the Journal, especially through indexing institutions worldwide. Even if Prof. Gharaibeh has left our life, I am sure that he will always continue to be present in our hearts and minds as a close friend and respective colleague. May God's endless mercy be upon his soul and paradise be his last residence.

-Authors: Please be patient as long we will process the late and accumulated review process sequentially as soon as possible.

-Reviewers: Please be aware that you are in the journal's database list and we will ask for your contribution and help according to your area of specialties.

-Assigned Reviewers: Please kindly do finish your assigned papers review as soon as possible.

-Civil Engineering Community: Please kindly keep in touch with the journal, collaborate and contribute to its upcoming volumes.

-New Editorial Board: A new Editorial Board for the journal will soon be appointed by the Scientific Research Support Fund Board at the Ministry of Higher Education and Scientific Research upon the nomination of the new editor of the journal.

Wishing you and the *Jordan Journal of Civil Engineering* the very best.

**Jordan Journal of Civil Engineering
Editor-in-Chief**

**Prof. Dr. Mohammed Taleb Obaidat
